Environmental Solutions

“ The contact with ReiCat was absolutely great. Many thanks again for the competent support. ”

---

Jonas Hofmann  
*Die kleine Kaffeerösterei, Schweinfurt/Germany*

“ By purchasing the ReiCatino® it is possible for us to roast at any time and independent of the quantity. Our roastery is located in a residential area and now we don't have any trouble with the neighbours anymore. The chimney now no longer releases odours. ”

---

Rainer Helmke  
*Home Roasting Company Helmke, Hamburg/Germany*

“ With the upgrade to the ReiCatino® I have finally got my immissions under control as far as odour and smoke are concerned. The company ReiCat is very competent and professional. ”

---

Florian Steiner  
Florian Steiner Kaffeerösterei, Heidelberg/Germany

“ Dear ReiCat team - a big thank you, it was just fun with you. The ReiCatino® does what it is supposed to do. Simply fantastic! We just hope that our neighbourhood won't miss us ;-) ”

---

René Klinger  
*Kaffee Monopol, Stralsund/Germany*

“ We are very satisfied with our ReiCatino®  
and your service! ”

---

Laura Feyel  
*Nautilus Kaffeerösterei, Schorndorf/Germany*

“ The ReiCatino® has helped us to reduce odour emissions significantly without affecting the roasting result. The right decision for us, and I would make it again. ”

---

Jörg Schmidt  
*Bäckerei Schmidt KG, Heideck/Germany*

“ My Cat is ReiCat! ”

---

Reiner Sulzer  
*Espresso, Cadolzburg/Germany*

“ ReiCat is the best solution for smoke and odour removal - so even the neighbours become future customers. ”

---

Josef Gander  
*KUNTRAWANT, South Tyrol/Italy*

“ We roast in one of the most densely populated neighbourhoods in the city. The ReiCat Gourmet ensures that we can continue to do so for our enjoyment and that of others. The communication and installation went exemplary. We can recommend ReiCat on every level. ”

---

Philipp Schallberger  
*Kaffeemacher GmbH, Basel/Switzerland*
